- Performs basic nursing skills as outlined in facility educational program, demonstrating knowledge and competence.
- Seeks assistance when confronted with a resident problem that requires special assessment.
- Follows facility procedures for admission, discharge, and transfer of residents and completes all documentation accurately and timely.
- Greets residents by name and speaks to resident and family members in a kind, thoughtful manner.
- Listens to resident and family complaints attentively and reports problems to charge nurse promptly.
- Responds appropriately to the feelings of others consistently by listening attentively and taking follow-up action.

- Controls angry feelings appropriately.
- Demonstrates concern for all residents' welfare by rendering immediate assistance to any resident in need.
- Works in cooperative spirit wherever assigned.
- Demonstrates warm, caring feelings about residents by responding appropriately to the needs expressed.
- Comes to work as scheduled and consistently demonstrates dependability.
- Comes to work in clean, neat uniform and consistently adheres to dress code.
- Reports immediately to charge nurse anything unusual about resident.
- Charts on all residents about the activity of the resident that shift of duty. Signs all notes with first initial, last name, and title.

Work Environment

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is occasionally exposed to wet and/or humid conditions, fumes, or airborne particles, and toxic or caustic chemicals. The noise level in the work environment varies.

Degree of Latitude

Reports to the Director of Nursing. Must be flexible and physically able to perform necessary job duties of a certified nursing assistant.

Qualifications

High School diploma recommended; eighth grade education required.

Required 75 hours Nurse Aide training course and experience as a Nurse Aide for at least one year.

Must maintain 10 contact hours per year for continuing education units or 0.1 CEU.

Statement of Understanding and Acceptance

I have and understand the above job description. I am accepting the responsibilities and agree to fulfill these and other duties as assigned.
